HMP155 Humidity and Temperature Probe

HMP155D with resistive 4-wire output for temperature. voltage output for humidity

Vaisala HUMICAP® Humidity and Temperature Probe															HMP155	D	A	B		A	0		A	1		A	Price
1.	Probe type	Voltage output for RH (RS485 for service use), 4-wire Pt100 output for Temperature														D											
2.	Signal output selection	0...1 V output															2										
		0...5 V output															3										
		0...10 V output															4										
3.	Analog output signal for CH1	None (4-wire PT100 output used)														A											
4.	Analog output signal for CH2	RH (0... 100%RH)														B											
5.	Units (RS485 in service use)	Metric															1										
		Non-metric															2										
6.	Humidity sensor type	General purpose	HUMICAP180R														1										
		General purpose	HUMICAP180														3										
		General purpose with NTC Thermistor (YSI)	HUMICAP180R + 44031RC (10 k Ohm @ +25 °C)														7										
7.	Heating options	None														A											
8.	Chemical purge	None														0											
9.	Sensor protection	Sintered Teflon filter	item: 219452SP														A										
		Membrane filter	item: 230727SP														B										
10.	Probe cable length	No cable (no counter connector)															0										
		3.5 m (with 8 pin M12 female connector)	item: 220496														1										
		10 m (with 8 pin M12 female connector)	item: 220497														2										
		30 m (with 8 pin M12 female connector)	item: 220498														3										
		5 m (with 8 pin M12 female connector)	item: 223283														4										
		QMH101 cable, 0.6 m with M12 connector	item: 230293														5										
		QMH102 cable, 3.0 m with M12 connceor	item: 215494														6										
11.	Additional Temperature probe	None														A											
12.	Calibration	At room temperature														1											
13.	PC-Accessories	None															A										
		PC connection cable (USB)	item: 221040														B										
		MI70 connection cable	item: 221801														C										
		PC connection cable (USB) & MI70 connection cable	items: 221040 + 221801														D										
14.	Installation accessories	None															0										
		Installation kit to Stevenson screen	item: 221321														1										
15. (For production use only)															A												
															Total												
															QTY												
															Total value
